

## Why are Voluntary Contributions important?

---

The contributions go towards offsetting costs in the following areas:

**Information Technology**– Maintenance and replacement of items such as Smart Boards, software licenses, computer accessories, iPad's, computers and laptops as well as purchase of the latest technology and software. IT has been a priority area for our school in recent years and this continues to be the case

**Playground**– the cost of installation and maintenance of play equipment, soft-fall and sporting equipment.

**Library**– the purchase of resources and consumables in the library. Items such as fiction and non-fiction books, reference books etc. which need to be updated and replaced as they wear out or become superseded.

**Photocopiers, Printers, laminating**– the costs associated with producing learning resources.

**Classroom consumables**– such as materials for special programs and events e.g. science, cooking, craft.

**Medical**– the cost of ambulance cover for each student and first aid supplies.

## Our Mission

*A Community that ignites curiosity and prepares children for the future.*

## Our Motto

*Dignity and Determination*

For Further information please contact the school via the details below.

## Voluntary Parent Contribution and Student Resources 2020

---

A Northern Territory Government  
Independent Public School

**OUR SCHOOL  
OUR FUTURE**  
INCREASING SCHOOL  
AUTONOMY

## Voluntary Parent Contribution

Voluntary contributions support the delivery of the best possible educational outcomes for student through providing additional funds to improve the quality and range of school materials and resources which enrich the learning opportunities for our students.

Durack School Board suggests a contribution of \$100.00 per child per annum or \$25.00 per term.

Parents should note that these contributions are not compulsory and that essential school materials and services will not be withheld from the children of parents who elect not to contribute. However, in the interests of fairness and in support of our efforts to secure the best outcomes for your children, we ask that parents make every effort to support the school through the payment of the voluntary contributions as recommended by the school board.

## Book Packs

Book packs contain additional learning resources that are not already included in the resources supplied by the NT Government funding to the school.

Additional stationary items such as:

- 2 online subscription programs (Reading and Maths)
- USB
- Headphones
- Specialist art materials
- Musica Viva Performance (not for preschool)

***N.B: The content of the packs varies as appropriate to the year level of the children.***

### Costs

Preschool to Year 6: \$100.00

### Please note:

To support students to be ready for teaching and learning at the commencement of the school year, teachers have requested that the book packs remain at school after purchase.
