All elections have now taken place for School Captains, House Captains and Class Representatives for the Student Leadership Council. It’s with great pleasure that I can announce our Student Leadership Council to you this week.

School Captains:

Dakota McBride (Vice-Captain),
Tyson Ledo (Captain),
Zekiah-Lee Saffi (Captain),
Vincent Mondol (Vice-Captain)

House Captains:

Ivanhoe Vice-Captain—Taj Roberts,
Ivanhoe Captain—Brayden Brinkley
Argyle Captain - Amelia Colling
Argyle Vice-Captain Riley Blackbourne
Lissadel Vice-Captain Kira Mamo
Lissadel Captain Cody Russell

The speeches and leadership skills that all students displayed this week were outstanding and I am excited to see what these quality student leaders will bring to our school this year. Towards the end of March, Ms Edie and I will be accompanying students to a GRIP Leadership Conference, especially designed for primary student leaders. The day will cover topics such as ‘Leading in the Land of Zootopia’, ‘The 4 Expectations of Responsibility’, ‘Outside the Box’ and ‘Turning ideas into Action’.

Today, Thursday 9th March is our School Board’s Annual General Meeting (AGM). I would like to formally thank the 2016 Durack School Board for their support of the school during 2016 and personally acknowledge Lyndell Nichols for her hard work and dedication. Lyndell has been a member of the Durack School Council and now School Board for 6 continuous years, in a number of positions (Secretary and Treasurer). Fortunately Lyndell will continue to be a parent in our school for many more years so I know she will continue to assist the school where possible and be one of our number one champions. Thank you Lyndell.

We have a few special events and days coming up which I will highlight for you. In a couple of weeks, letters will be going home from teachers providing an indication of how your child is progressing at this stage of the year, and if required, requesting a parent/teacher interview with you. These interviews are crucial to support students and develop the partnership between home and school. Interviews will be conducted in the last week of the term (3rd – 6th April 2017).
One of our school focuses for 2017 is aligning our school processes and procedures as well as ensuring everyone has ownership of our school’s vision and mission statements. Therefore we are undertaking a School Continuous Improvement process, with external support, in order to achieve this. To enable all staff and our School Board to participate in this process, we will hold a Pupil Free Day on Friday 7 April, 2017. On this day the school will be closed to students however YMCA is available for full day care 6:30am to 6:00pm, if required. Please contact them directly on 0439 991 095 or 89314537.

Another focus for our school this year is addressing student wellbeing across the school. To highlight the Bullying. No Way! message we will be participating in the National Day of Action against Bullying and Violence coming up on 17 March. All students will be participating in activities that raise awareness about bullying and ways to address and prevent it. Our next newsletter will have a full spread on what took place on this day.

Also on Friday 17 March is National Ride to School Day. On this day we will be giving out prizes for those students who ride to school and who are wearing a helmet and being safe.

Year 5/6 Grego will be performing tomorrow, see you at assembly!

Bombing of Darwin News Reports Written by Students of 5/B Grego

Big Bad Bombs Blast Darwin!!!

75th Commemoration. Darwin Remembers.

By Madeline Jarvis

The Japanese Impact on Darwin's History.

On the nineteenth of February 1942 at around 10 am in the morning the Japanese started bombing Darwin. The Navy, Army and Air force were all at Darwin's defence but it wasn't quite enough.

36 fighter planes. We suspect that they did this to distract Australia from fighting in World War 2.

Stanley hawker a survivor once said; 'I learnt to hate the full moon nights.' Another survivor, Charlie Unmack said; 'I have never forgotten the terrible scenes during that first air raid on Australia.'

For the Japanese it was a very successful raid compared to Pearl Harbour, in the way that they killed more people, lost less air craft and destroyed more buildings.

Bombing Of Darwin

Screaming and Bombs land on Darwin

By Jayden Lih 2017

On 1942 the Japanese attacked Darwin as Darwin wasn't well defended! The NT successfully defended but Darwin had major damage. But the Japanese came in for more.

Two waves of bombs landed on Darwin. The Japanese bombed the harbour and the ships as soon as they got there.

The Japanese bombed Darwin because Darwin was not well defended and to stop them from fighting back.

The bombing of Darwin is important because it is a day no one will forget and up to this day still are some reminders of this day.

The Bombing of Darwin

Darwin was BOMBED

By James Carrier

On 19th of February 1942 Darwin was bombed by the Japanese at 9:30.

Before the first bomb was dropped the Tiwi Islands warned Darwin about planes flying towards Australia. Darwin ignored them and said it was American planes coming back from a rough storm. Tiwi Islands warned Darwin again but we ignored again this time it was because we were on race's break. That's why we weren't ready for the Japanese.

In an interview with Charlie Unmack he said; 'we thought they were ours'.

Pearl Harbour and Singapore were also bombed. Pearl Harbour was bombed 7/12/1941 and Singapore was bombed 15/2/1942.

Bad Bombs Bullied Darwin

Darwin gets bombed by Japan.

By Jazz Foster, 23/3/2017

On the 19th of February 1942 the Japanese bombad Darwin. Before they bombad Darwin they bombad several other place including the Philippines and Borneo.

Tiwi sent a warning message to Darwin but Darwin didn't listen. The Japanese bombad the wharf, military bases, the oil tank, the hospital and ships. They bombad the post office and every one in it was killed. The Japanese bombad those places to stop Darwin from fighting back and to make bigger explosions.

Stanley Hawker, a leading aircraft man, no 2 RAAF Squadron. He said, "It was pretty scary." "I don't like to think about it."  

In the end Darwin was able to rebuild.
